TERMS AND CONDITIONS

TERMS OF AGREEMENT

The bidder, by executing the Invitation for Bid Form, certifies the following three bid components.

1. Certificate of Independent Price Determination

A. The prices in the proposal have been derived independently, without consultation, communication, or agreement for the purpose of restricting competition as to any matter relating to such prices with any other bidder or with any competition.

B. Unless otherwise required by law, the prices which have been quoted in this proposal have not been knowingly disclosed by the bidder prior to opening.

C. No attempt has been made or will be made by the bidder to induce any other person or firm to submit or not to submit a bid or proposal for the purpose of restricting competition.

2. Prices

The price or prices specified in the proposal are firm and are not subject to contingency or reservation. The bidder represents that the price or prices specified in this quotation do not exceed the current selling price for these same or substantially similar supplies or services and are no higher than the other quotes to his or her most favored customer taking into account the quantity specified for delivery. Further, the bidder, by signing the Invitation for Bid Form, certifies that he or she secured similar certification from each subcontractor or part supplier.

3. Fees and Taxes

The bidder is current with any and all federal and state taxes, and local personal property and real estate taxes, if applicable, and all other required licenses and fees.

TERMS AND CONDITIONS OF BIDDING

Qualifications

All bidders must furnish satisfactory evidence that they have previously performed this service in the past.

Laws and Ordinances, Regulations, Licensing Fees

The bidder shall conform to all rules, regulations, ordinances, laws or directives set forth by Region C RHSOC and/or the State of Missouri. The Winfield R-IV School District, the Region C RHSOC and its fiscal agent, Boonslick Regional Planning Commission (BRPC), shall not be responsible for any fees, charges, money, etc. resulting from any service provided under the provision of this contract. The bidder shall conform to any and all changes made to this proposal as a result of any ordinance, law and/or directive issued by Region C RHSOC, the State of Missouri, or the federal government of the United States.

Assignment Of Contract

Neither this contract, nor any portion thereof, shall be reassigned except by formal written approval of the Region C RHSOC and the Boonslick Regional Planning Commission.

Waiver

The Region C RHSOC and BRPC reserve the right to reject any or all proposals. Region C RHSOC and BRPC reserve the right to waive any variances from original bid specifications in cases where the variances are considered to be in the best interest of Region C RHSOC and the receiving agency/agencies.

Termination Of Contract

The Region C RHSOC and BRPC reserve the right to terminate the contract for reasons of violations by the successful bidder of any term or condition of the contract by giving thirty days written notice stating the reasons therefore and giving the party ample time to remedy the deficiencies.

Method Of Award

Contracts shall be awarded to the proposal that meets or exceeds all requirements of the Invitation for Bid at the lowest cost while offering the best value to the Region C RHSOC and BRPC.

Indemnification

The bidder shall indemnify, save, and hold harmless the Region C RHSOC, BRPC, and the Winfield R-IV School District; their employees, and agents, against any and all claims, damages, liability and court awards including costs, expenses, and attorney fees incurred as a result of any act or omission by the bidder or its employees, agents, subcontractors, or assignees pursuant to the terms of the contract resulting from the Invitation for Bid.

Disbarment / Suspension and Excluded Parties Lists

The bidder shall not be listed on Missouri's Suspension/Debarment List nor on the Federal Government's (SAM) Excluded Parties List.

Equal Opportunity Clause

During the performance of this contract, the bidder agrees as follows:

(1) The bidder will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

(2) The bidder will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The bidder will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not

apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The bidder will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The bidder will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The bidder will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the bidder's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the bidder may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The bidder will include the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The bidder will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance; provided, however, that in the event the bidder becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the bidder may request the United States to enter into such litigation to protect the interests of the United States.

Procurement of Recovered Materials

Bidders must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired by the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

Compliance With Davis-Bacon Act

The bidder shall be compliant with the Davis-Bacon Act (40 U.S.C. 3141-3144 and 3146-3148) as supplemented by Department of Labor Regulations (29 CFR Part 5, Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction).

Additional Information

All goods and services must meet or exceed stated specifications. Goods or services not meeting these standards will be rejected. The bidder shall clearly identify in the proposal any deviations from the specifications of the IFB. Proposals are subject to the terms and conditions of this IFB, and the attached specifications for the purchase and installation of the requested goods and services. All proposals must include a fully completed and executed Invitation for Bid Bid Form. Failure to do so will be considered basis for rejection.

Payment Terms

Payment terms shall be net thirty days after delivery and installation unless otherwise stated.

Submission Of Proposal And Supplemental Materials

Proposals shall be submitted to Boonslick Regional Planning Commission. If supplemental materials are required or requested, they must be submitted as part of the bid package. Supplemental materials will not be accepted after the bids have been opened, unless requested by the receiving agency. Submission or distribution by the bidder of unsolicited supplemental materials to Region C RHSOC members or its agents may result in rejection of the bid.

SCOPE OF WORK

The intent of this IFB is to obtain competitive bids and subsequently award a contract for the procurement and installation of a manual transfer switch at the Winfield High School Electrical Utility room. All labor and material, including miscellaneous charges such as shipping and handling, required to install the switch and make it fully operable must be included in the total cost of the proposal. NOTE: BRPC is chartered as a 501(c)(3) organization and therefore is exempt from paying sales or use taxes. A "State of Missouri Exemption from Missouri State Sales and Use Taxes on Purchases" Certificate will be provided to the winning bidder if requested.

The winning bidder will coordinate all work with Mr. Daniel Williams, Superintendent, Winfield R-IV School District, 701 Elm Street, Winfield, MO 63389; 636-668-8188. danielwilliams@winfield.k12.mo.us

Materials and supplies will be delivered to and installed at the following address; Winfield R-IV High School, 3920 State Highway 47, Winfield, MO 63389.

Intent of Specifications

It shall be the intent of these specifications to cover the complete delivered and installed transfer switch as specified, including any related hardware required but not otherwise stated herein. Unless specifically stated otherwise, brand names and/or model numbers if used below, are for illustrative purposes, and equal equipment may be bid, but must meet or exceed all specifications, and be approved by the Region C RHSOC.

 - d. Cabling

Service, Parts, and Maintenance

Bidders shall furnish statements with their proposals highlighting their local repair/service facilities, the availability of repair parts, and anticipated response time for break/fix incidents.

Period of Performance

Work must be completed no later than Wednesday, August 1, 2018. If this period of installation cannot be met, the successful bidder will be expected to coordinate mutually agreed alternative dates with the Superintendent of the Winfield R-IV District in order to minimize disruption to the district and its students.

Data and Information

Each bidder shall furnish in the proposal complete manufacturer’s specifications, maintenance, and user data. Any variations from the specifications shall be so stated in the proposal, or it shall be assumed the equipment is equal to or greater than the specifications as outlined in the IFB. Region C RHSOC reserves the right to make the final decision whether any variations in the specifications will be allowed. All bidders are directed to indicate compliance in their proposal with specifications and shall outline any variations between their bid and the specifications. Failure to indicate compliance or deviation shall be considered cause for rejection of the bid.

Exceptions

All exceptions shall be clearly stated in the proposal no matter how insignificant. Any exceptions not stated shall be assumed to be included in the proposal regardless of the cost to the bidder.

Warranty

The details of the equipment and workmanship warranty/warranties must be provided in the proposal. If any parts or workmanship prove defective during the warranty period, the bidder shall upon notice from Region C RHSOC or receiving agency, immediately make necessary repairs or replacement without cost. Failure to have the bid accompanied by a detailed warranty may be cause for rejection of the bid.

Manuals and Documentation

All necessary manuals such as the Owner/Operator, Illustrated Parts Breakdown, and Maintenance/Troubleshooting Manuals must be provided at time of installation, including other related documentation as may be required, including warranties.

Training

Adequate instruction on the safety, operation, and maintenance of equipment will be provided to designated school personnel as appropriate upon completion of installation.

Proof of Acceptance

At time of completed installation, the bidder will provide a proof of acceptance document to signed and retained by the Boonslick Regional Planning Commission and the Winfield R-IV School District. Lincoln

County Emergency Management Agency will arrange for a mobile generator to be on-site during the period of performance so that the bidder can demonstrate full operability and perform training.

Invoice

Within fifteen days of completion of installation the bidder will provide a final itemized invoice to BRPC. NOTE: BRPC is chartered as a 501(c)(3) organization and therefore is exempt from paying sales or use taxes. A “State of Missouri Exemption from Missouri State Sales and Use Taxes on Purchases” Certificate will be provided to the winning bidder if requested.

Contract Price

The amount bid shall be for the total delivered and installed price for all specified work.
