MEMORANDUM

To: BRPC Membership
From: Chad Eggen, Executive Director
Date: 03/18/2022
Re: **General Membership Meeting – March 28, 2022**

The next general membership meeting of the Boonslick Regional Planning Commission (BRPC) is set for Monday, March 28, 2022. We will not have a ZOOM option for this meeting as it will be in person. We will, however, hold the meeting in a large open space at the newly constructed MaryLou Community Center in Truesdale. As always, lunch will be served at 12:00pm for members, legislators, planning partners and invited guests. Our meeting will commence following lunch.

The topic for this meeting is **Community Programs from the Missouri Humanities Council** and includes opportunities for grant funding, cultural heritage, education, speakers' bureau, and community forums. Many times, the engagement in each community starts with an idea and a discussion then leads to interaction, awareness, events, and projects. For this reason, we are thrilled to have representatives from the Missouri Humanities Council to present real examples of just how to re-engage the citizens of our communities.

Please join us for the meeting and bring any questions that you may have about examples that other communities throughout the state.

Please bring any updates on local projects that you have going on in your communities.

BRPC staff members will have updates on projects and programs, and as is customary at our meetings, Federal and State legislators and planning partners will be there to report on issues and provide updates.

Please R.S.V.P. to Jane Cale at janecale@boonslick.org or by phone at (636) 456-3473 so that we have an adequate count for lunch.

We hope that you will be able to attend, and we look forward to seeing you on Monday March 28.
