

Public input needed for transportation plan

The Boonslick Regional Planning Commission (BRPC) is hosting its first meeting to update the Public Transit – Human Service Transportation Coordination Plan for the Boonslick region, which serves Lincoln, Montgomery and Warren counties. The meeting is scheduled for Wednesday, Sep. 14 from 10 a.m. to noon at the Boonslick office located at 111 Steinhagen Road in Warrenton.

This plan is important to many organi-

zations within the region that offer transportation options to the elderly, disabled and low-income population. With the approved and adopted plan in place, eligible organizations can apply for grant funding to improve and support their transportation efforts. The public is encouraged to attend this meeting. For more information, contact Krishna Kunapareddy via email at krishna@boonslick.org or by phone at 636-456-3473.

Trade shops approved at rejected apartment site

By Adam Rollins
STAFF WRITER

The city of Warrenton has approved construction of a block of trade service garages at a site where aldermen had previously rejected a small housing development.

Aldermen voted unanimously on Aug. 16 to approve construction of an eight-bay building on East Walton Street, behind the Kroger/Orscheln shopping center. The new facility would act as a dispatch hub for home repair and other trade services that need a space to store vehicles and supplies.

“Basically, it’s set up for plumbers, electricians or HVAC repair to have a place that they can pull in and out, have something centrally located in town, but do most of their work off-site,” explained project engineer Bart Korman with Lewis-Bade. Independent companies would lease each section of the building.

T.G.L. Properties, the owner and developer of the property, had previously requested to build a 10-unit housing complex at the site, saying it would be a good location because it’s across the street from a city park and down the

street from Black Hawk Middle School and Daniel Boone Elementary.

However, aldermen were greatly concerned by the prospect of homes backing up to the rear loading docks of the Kroger/Orscheln building. With rejection being the likely outcome, T.G.L. withdrew that proposal and brought something the aldermen would find more suitable, Korman said.

As conditions for approving the project, the city is directing the developer to build a brick accent across the front wall of the building so that it doesn’t have the look of a storage shed. T.G.L. Properties will also have to prohibit tenants from parking outdoors overnight or storing materials and equipment outdoors.

Korman added that the existing Kroger/Orscheln building and parking areas, which are also owned by T.G.L. Properties, will not be altered as part of this project. Construction will be contained to the undeveloped lot across from the city park.

The building is planned to be about 10,400 square feet, divided into eight smaller bays that are roughly equal in size. The site is located on East Walton Street, just east of Highway 47.

— Sheriff’s report —

The Warren County Sheriff’s Department released the following weekly activity report. Jail statistics and law enforcement incident reports are as follows for Aug. 21 through Aug. 27.

Average total daily inmate count: 132

Average daily Warren County inmate count: 99

— Warrenton police report —

The Warrenton Police Department released the following weekly incident report for the dates of Aug. 22 through Aug. 28.

Monday, Aug. 22

Isabella Drive/North 47. Marijuana possession. Vehicle was stopped for speeding. Upon contact with the driver, the officer observed a marijuana dugout in plain view. The driver handed the officer the dugout and a pipe. A small bag of marijuana was located during the vehicle search. Subject was issued citations for exceeding the speed limit and possession of marijuana.

North 47. Trespassing. Subject that had been previously trespassed from the store property was inside the restroom. The subject was arrested for several active warrants out of Truesdale; a citation for trespassing was issued.

Tuesday, Aug. 23

North Market Street/Oak Street East. Driving while revoked/suspended. Traffic stop was issued on a driver known to have a revoked license. A pipe with meth residue

was found during the vehicle search. The driver was arrested; under investigation.

Northeast Service Road/Armory Road. Two-vehicle accident. Driver One stated he observed Vehicle Two making a left turn but was unable to stop in time to avoid a collision. The front of Vehicle One struck the rear of Vehicle Two. Driver One was transported to the hospital by EMS. Approved Towing removed both vehicles from the scene.

North 47. Stealing. Store employee observed a woman concealing several items and leave the store without paying. An officer made contact with the woman who was inside her vehicle in the store parking lot. Stolen items were located during a search of the subject’s purse. Citation was issued.

Warrior Avenue. Two-vehicle accident. A witness observed Vehicle One collide with the parked, unoccupied Vehicle Two on the school parking lot. Driver One left a note on Vehicle Two

and left the scene. Under investigation.

Wednesday, Aug. 24

Eastbound Interstate 70. DWI - alcohol. Vehicle was stopped for failing to signal. Driver was taken into custody. After further investigation, citations were issued for driving while intoxicated and failing to signal.

Saturday, Aug. 27

Westbound Interstate 70. One-vehicle accident. Vehicle struck the median cable barrier and then left the scene. The driver was located later the same day and stated she may have dozed off before hitting the cable barrier. No injuries were reported; under investigation.

Sunday, Aug. 28

Troy Road/Oak Street East. Felony drug possession. A man involved in a domestic dispute had active warrants out of Truesdale and Wentzville. Two small bags containing white powder were located during the search incident to arrest. Subject stated that the substance was fentanyl. Charges pending lab results.

Tractor cruise set for Sep. 11

The Knights of Columbus will host a Journey for Charity Tractor Cruise on Sunday, Sep. 11 to benefit Warren and Franklin County food pantries. Service vehicles will be collecting donations of cash and canned goods all along the route.

The north route is a 30-mile cruise from Concord Hill to Augusta to Washington. The day will begin at 9:30 a.m. at St. Ignatius Church in Marthasville. From there, the cruise will begin, traveling through

Charrette Bottom to Dutzow, continuing to Augusta, and finally arriving at the Washington Knights of Columbus Hall.

A barbecue and tractor show will follow the cruise from 2:30 to 5:30 p.m. at the Washington KC Hall. There will be tractors on display, a pedal tractor pull for children, and barbecue, beverages, hats and T-shirts available for purchase.

For more information or to sign up, call John Jasper at 314-581-6968.

Truesdale trivia night Sep. 10

The Warrenton High School Alumni Association (WHSAA) is hosting a trivia night at 7 p.m. on Saturday, Sep. 10 at the MaryLou Rainwater Community Building in Truesdale to benefit the

WHSAA Scholarship Fund.

The cost to attend is \$25 per person with up to eight people on a team. Attendees may bring their own drinks and snacks.

Callaway County

REAL ESTATE AUCTION

WEDNESDAY, SEPT. 14, 2022 AT 10 AM

AUCTION LOCATION: WILLIAMSBURG COMMUNITY CENTER

COUNTY ROAD 184 AND DOUGLAS ST., WILLIAMSBURG, MO 63388

PROPERTY LOCATION: From the north edge of Montgomery City, MO take Highway B west 15 miles to the Schneider property on the right OR from Auxvasse, MO take Highway B east 7 miles to the Schneider property on the left.

80 +/- ACRES IN TOWNSHIP 49N, RANGE 8W, SECTION 14 OF CALLAWAY COUNTY, MISSOURI TO BE SOLD IN ONE TRACT.

THE CALLAWAY COUNTY FSA OFFICE SAYS THERE ARE 44.8 ACRES OF CROPLAND ON THIS TRACT.

The Schneider property is whatever one is asking for, a smaller parcel of combination property that is approximately half open, partially tile terraced, suitable for crop production and farm income and about half wooded for great hunting and recreational activities.

There is a pond that provides a year-around close water source for wildlife.

There is rural water available along Highway B and frontage an access directly off blacktop Highway B.

The property has a great location being about halfway between Columbia and St. Louis, just minutes north of I-70, on blacktop highways, perfect for a quick after-work commute to do some last-minute hunting or simply relaxing.

The farm has been in the Schneider Family for generations and this is the first time it has ever been offered for public auction, please don't miss an opportunity to buy it.

SELLER: MARILYN SCHNEIDER TRUST

Importance: High

Thanks to all of you for attending the Public Transit plan meeting and offering your inputs. Attached please find the sign in sheet in case if you would like to contact someone who attended the meeting.

I would like to reiterate the purpose of this 5 year updated plan that we need to submit to MoDOT- **Before receiving federal funds, the designated recipient must certify that: 1) the projects selected by the recipient are included in a locally developed, coordinated public transit-human services transportation plan; 2) the plan is developed and approved through a process that included participation by seniors, individuals with disabilities, representatives of public, private, and nonprofit transportation and human services providers and other members of the public.**

As I mentioned at the meeting, I will be sending the draft plan for your review. Here is the link to the current plan <https://boonslick.org/wp-content/uploads/2012/11/2018-Boonslick-PTHST-Plan-Final.pdf>

Please let me know if you have any questions.

Thanks
Krishna,

Ms. Krishnapriya Kunapareddy, Senior Planner
